

Elevate Your Career with Cyber Proud's Comprehensive IT Skills Program

Fully Funded by the City of Elk Grove!

Jumpstart your career in technology

with Cyber Proud's new program designed specifically for Elk Grove residents. This unique training provides a strong foundation in digital literacy and technical skills, preparing you for diverse roles in IT.

Why Choose This Program?

Foundation in Digital Literacy:

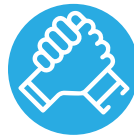

Start with the basics and build up to complex IT concepts.

Hands-On Learning: Engage in practical labs and a capstone project tailored to real-world business needs.

Advanced Skill Development: Dive deep into Cloud, AI, Data Engineering, and more with expert-led sessions.

Career Support: Benefit from personalized career services that help you land your dream job.

Exclusive Opportunity: Take advantage of a fully funded program designed specifically for Elk Grove residents.

Ready to transform your future?

Our Program

Program Benefits:

- **No Tuition Costs:** Available at no cost to eligible Elk Grove residents.
- **High-Demand Skills:** Gain skills in key IT areas, preparing you for industry recognized certifications like CompTIA A+, Network+, and Security+—one provided with your program.
- **Comprehensive Support:** Enjoy wraparound career services through December 2025 to enhance your job search and career growth.
- **Retention Incentive:** Receive a \$1,000 bonus after 6 months of employment in a program-related field.

Why Choose Our Program?

- **Robust Curriculum:** Live virtual instruction, focusing on digital literacy, IT infrastructure, cloud computing, cybersecurity, and project management.
- **Flexible Learning:** Evening and weekend classes to fit your schedule.
- **Capstone Project:** Apply what you've learned by addressing a technological need for a fictional business.

Program Schedule:

- **Course Length:** October 15, 2024 - February 15, 2025
- **Class Times:** Tuesdays and Thursdays, 6:00 PM - 9:00 PM; Saturdays, 9:00 AM - 1:00 PM
- **Holiday Breaks:** Thanksgiving (November 28 & 30), Winter Break (December 24 to January 1)

Requirements:

- **Technology:** Must have access to a laptop or desktop with a camera, microphone, and Wi-Fi.
- **Age:** Must be 18+ years old.
- **Education/Experience:** Basic computer skills required; business and/or information technology education or experience preferred but not required.
- **Veterans:** Veterans are encouraged to apply.
- **Selection:** Applicants are interviewed to determine ability and willingness to commit to program requirements.

How to Apply:

These programs are made possible through a City of Elk Grove funded grant. There are no hidden fees or costs to selected participants. The total value of the program is over \$9K. Questions? Contact us at info@cyberproud.org or visit cyberproud.org.
